

2014 Maryland Public Health Association Annual Conference

Advocating for Health: Public Health Wins in Maryland

This year's conference highlights Maryland's recent **successful public health efforts** and explores ways in which members can translate **best practices** into **meaningful action** within their communities, and **advocate** for important public health issues and policies grounded in research!

Keynote Speakers

Joyce Gaufin

President, American Public Health Association

Dr. Renee Fox

Executive Director, Institute for a Healthiest Maryland

Dr. Laura Herrera

Deputy Secretary for Public Health Services, Department of Health and Mental Hygiene

When: Thursday, September 18th, 2014
8:30 am — 4:30 pm

Where: Johns Hopkins Bloomberg School of Public Health
615 N. Wolfe Street, Feinstone Hall Rm E2030
Baltimore, MD 21205
